Mattresses Made For You

A journey began from 1957.

Pereira Furnishers... the story continues.

Pereira Enterprises started out as dealer of Kurlon mattress in Bandra in Mumbai in 1986. In a few years, Kurlon appointed us as their distributor for Mumbai. We appointed approx 126 dealers and carried out a healthy business for 12 years.

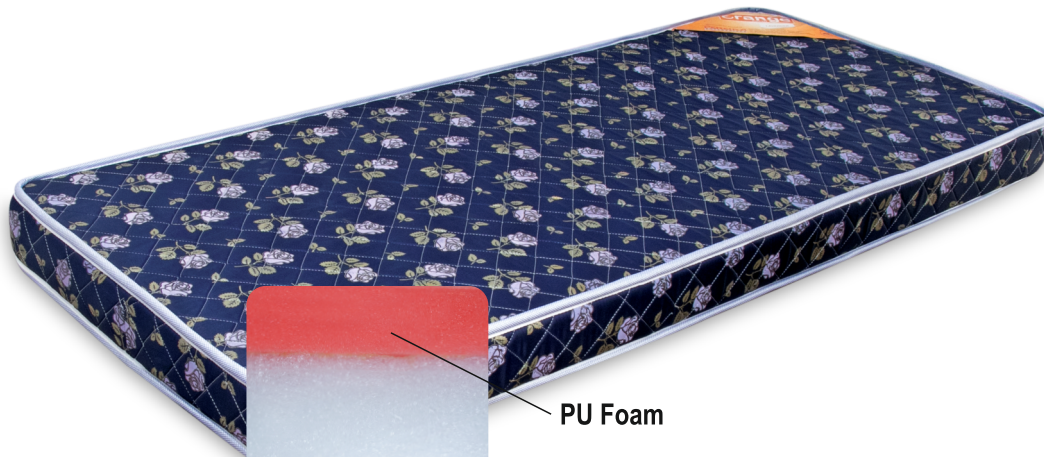

We then distributed the Duroflex Brand all over Maharashtra having offices and stocking points in Malad, Bandra, Panvel and Pune. We appointed approx 300 dealers and enjoyed a healthy business relationship for 10 years.

We now distribute the Nilkamal Brands and are manufacturing and marketing our own brand under the Orange and Alyson mattress label.

Our expertise of 35 years and a passion for marketing a mattress of quality, comfort, value for money along with quick delivery and after sales services and most importantly guiding the customer to buy the correct mattress according to their need is our constant endeavour.
